Exemption Application Form Academic Year 2009/2010

Please read these notes carefully before submitting your application.

Exemptions: Credit for Prior Achievements

Students must have sat and passed at appropriate level a recognised examination in a relevant subject area in order to qualify for an exemption on a subject-for-subject basis.

Exemptions are only granted to persons who are NOT already fully registered students with Accounting Technicians Ireland.

Persons applying for, and being granted, an exemption in any subject(s) in 1st year should note that 2nd year subject(s) assume prior knowledge of these 1st Year subjects. By accepting an exemption, you are stating that you have this knowledge and are up-to-date with the subject(s) material.

All exemption applications are dealt with on an individual basis. **A student must not assume exemptions – he/she will receive formal notice of any exemptions granted.**

Please note that if exemptions are granted, a copy of the exemption letter, must accompany your registration form, otherwise the exemption(s) will not be processed.
