Seminar Booking Form 2009/2010

Accounting Technicians Ireland

Accounting Technicians Ireland deliver TWO seminars in each subject during the Academic Year. These seminars are delivered by experienced lecturers and are designed to focus on key topics and past Examination questions. Attendance at these seminars is optional, however our feedback indicates that students find the seminars extremely helpful as they revise and prepare for their Examinations. We recommend that you attend as many as you can. **Each Seminar costs €70/£62.50.**

Seminar Sessions
The first seminar (Seminar 1) for each subject will take place in January/February. The closing date is **1st December 2009** for seminar 1. The second seminar (Seminar 2) for each subject will take place in March/April. The seminar for IAS will run in December and early February. Please note that the content of the two seminars is entirely different (except for IAS). Please see your subject manual for a guide to the topics that will be covered in each seminar.

PERSONAL DETAILS

Mr. ☐ Mrs. ☐ Ms. ☐ Male ☐ Female ☐

Surname

Date of Birth D D M M Y Y Y Y
